Expert Workshop

New Partnerships

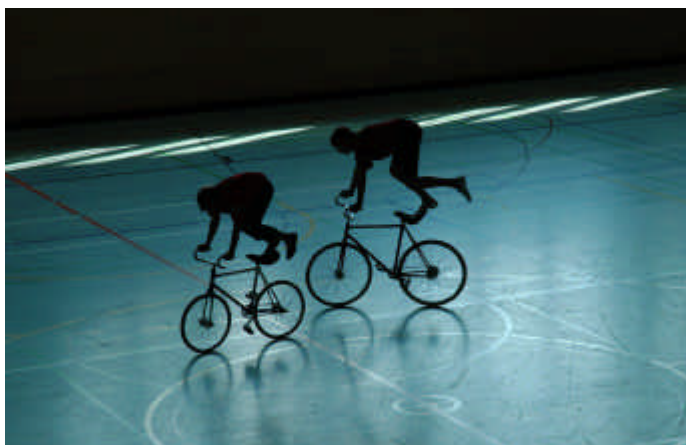

How business can contribute to development in difficult local environment

Date **October 01, 14h00 - October 02, 2007, 13h00**

Venue Konrad-Adenauer-Foundation
European Office Brussels
11, Avenue de l'Yser, 1040 Brussels

Objectives

- Develop concrete **recommendations** as well as effective **strategies and solutions** for society and business on how to work on mutual benefits and partnerships in developing and newly industrialising countries so as to enhance sustainable local development.
- Outline recommendations to aid and development agencies concerning **cooperation with developmental activities** of corporations.
- Enhance a **further learning process and discussion**, where additional countries and case studies could be included in a next stage.
