

Empowering CSOs, Women, Youth and Marginalised communities as Equal Partners in Democracy (ECSO Project)

Request for Proposals

Drafting of Youth Engagement and Empowerment training manual and training of facilitators

The ECSO project seeks the services of an experienced and qualified expert to draft the curriculum and content of the Youth Engagement and Empowerment manual suitable for CSOs at grassroots level. Training of facilitators on the manual is part of this consultancy.

Suitably qualified and experienced consultant(s) are hereby invited to submit proposals for this short-term consultancy of the ECSO Project.
